Dear Sir:-

In re Homestead, Philip Leverette. May 19 1904
T.14 R.27 West 4th. N.W. 1/4 Sec. 2

While I was recently at Stavelly (address of Above) I noticed cancellation notice filed dated the 9th. inst. I was there for the purpose of looking after this man's business.

I personally visited his place in company with a Corpl. of the N.W.M.P. and what I state I can substantiate with affidavits.

He has a house, Lumber, worth about \$300.00 neatly erected and finished on the outside. He has hewn (squared) timber there neatly piled towards further construction. Posts, well sharpened, nearly sufficient to fence his quarter, has a good well dug, well curbed, has about one quarter of the posts set ready to fence, and has some twenty eight acres broken and in crop, which breaking is well done, and the grain is now coming up and looking well. I understand that this man secured his entry early in the year. These improvements will I think satisfy you that he has not been idle, or has he neglected his place. I think you will not say that he is "six months" in default. His place is only a mile or so from the village and many are anxious to trample him down and secure his property. I can secure many who lived near him to state that he was very much above the average in doing homestead duties. I wrote you not long since

Sir,

I enclose, herewith, a receipt in your favour for \$25.60 in payment of the rental for one year for grazing purposes of Section 11, Township 13, Range 27 West of the 4th Meridian.

I also enclose a lease in duplicate in your favour of the land in question.

When you have signed both copies of it in the presence of a witness, please return them to the Department for execution by the Deputy Minister.

Your attention is specially called to clause 3 of the conditions of the lease which authorized the Minister of the Interior, in cases where payment of the rental is not made within ninety days of its becoming due, to charge the lessee an additional sum equal to fifteen per cent of the amount of the rental due.

In regard to your claims with respect to improvements on this section, I beg to say that under the lease the lessee is forbidden to make any building on this land or to erect any buildings thereon, other than such temporary structures as may be necessary for the shelter and protection of the stock, and such structures, with the fencing, could be removed on the expiration of the lease.

Sir,

A letter has been received from Mr. James McKinney, of Claresholm, in which he states that he has acquired from Mr. John Arthun his right to a lease of Section 11, Township 13, Range 27 West of the Fourth Principal Meridian, and applies for a permit to cut hay under the lease.

He has been informed that while Mr. Arthun has paid the rental for the current year, and a lease of this land was forwarded to him on the 23rd of January last for signature, it has not yet been returned here for execution and is therefore not yet in force. He has also been advised that in order that he may be recognized in place of Mr. Arthun he must file here a proper assignment from him of his interest in the lease, accompanied by a registration fee of \$2.00. In the meantime, as it is late in the season, and as Mr. Arthun has paid the rental for the year, you may on application issue a Hay Permit in Mr. Arthun's favour under Clause 13 of the lease, to cut whatever hay he requires for the use of his own stock on this section, subject to the usual Office fee of Fifty Cents, and if he so desires we can allow Mr. McKinney to operate under this Permit.

Your obedient Servant,

The Agent of Dominion Lands,

Secretary.

10. That the word "lessee," or any word used instead thereof, in these presents, includes the lessee, his executors, administrators, or successors and assigns, as the case may be.

Sir,

With reference to your letter of the 16th ultimo,
enclosing that reports to me a transfer from Mr. John Arthur
to yourself of all interest in a lease for grazing purposes of
Section 11, Township 1, Range 27 West of the Fourth Principal
Meridian. I have to say that the document signed by Mr. Arthur
cannot be accepted as effecting the transfer of the lease in
question as, in the first place, it refers to the right to a
permit on the land in question, and not to a lease, and secondly,
there is no affidavit as to the execution of the Deed.

Under the circumstances, therefore, it is thought
that the only way to proceed is to have the lease not been
carried out, to cancel the one now in force in favour of Mr. Arthur
and to issue a new one in your favour of the land in question,
and I now enclose the same herewith.

From your own account, copies in the presence of
a witness, lease return them to the Department for execution by
the Deputy Minister of the Interior as they are of no force nor
effect until signed by him.

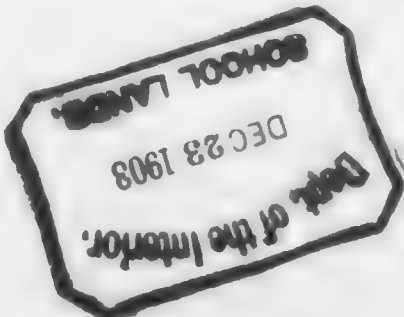

Your attention is specially called to Clause Three of
the conditions of the lease which authorizes the Minister of the

Interior, should the rental not be paid within ninety days of its becoming due, to require the lessee to pay an additional sum equal to 15% of the rental due.

Sir,

I enclose, herewith, a cheque for \$35.00 in payment of the rental for one year for section 15, in town 15, Range 25 West of the 100th Principal Meridian, of which you hold a grazing lease.

I may tell you, however, that the rental for the 15th of October, 1903, and the amount of \$104, the rental for the current year has already been paid by Mr. John Arthurs.

In explanation of this I may say that the payment made by Mr. Arthurs on the 15th of October, 1903, was applied to the rental for the first year under the lease issued in his name - that is to say, for the year ending the 15th of January, 1904. The receiver, Mr. Arthurs withdrew his application in your name, and a new lease was issued in your name, it was decided to apply the payment made by Mr. Arthurs to the rental for the first year under the new lease, that is to say for the year ending the 15th of October, 1904. If you desire, however, to have the Department to that effect, the amount of \$104 due by you will be refunded, and if you prefer to have the amount added to your next year's payment.

I enclose, herewith, a receipt in your favour for \$25.60 in payment of the rental for one year for Section 11, in Township 13, Range 27 West of the Fourth Principal Meridian, of which you hold a grazing lease.

I may point out, however, that this pays the rental to the 15th of October, 1905, with the exception of 10¢, the rental for the current year having already been paid by Mr. John Arthun.

In explanation of this I may say that the payment made by Mr. Arthun on the 15th of December, 1902, was applied to the rental for the first year under the lease issued in his favour - that is to say, for the year ending the 1st of January, 1904. When however, Mr. Arthun withdrew his application in your favour, and a new lease was issued in your name, it was decided to apply the payment made by Mr. Arthun to the rental for the first year under the new lease, that is to say for the year ending the 15th of October, 1904. If you desire, therefore, and will advise the Department to that effect, the present payment made by you will be refunded, or if you prefer it will be credited to your next year's payment.

Ans. no timber acres.

16. State any special circumstances such as illness, accident or lack of means, which should be considered by the Department in dealing with your case. Give any further information which in your opinion should be brought to the attention of the Department?

Ans. Lack of means has been holding me back and I put in one acre potatoes 1903 which the range cattle destroyed and was away for a week. My ten acres of oats I had last year were nearly a total failure they showed out only 40 bushels. My land being very stony I had to spend about a week picking out and picking off the stones I have also planted some maple for a wood break and cherry apple and plum trees I have also planted some strawberries.

Dear Sir Since filing on my land July 23rd 1902 the South East quarter of Section 16 in Tp. 16. Range 27. out of 4th M. in Alberta Dist I have found that it will be almost impossible for me to arrange my affairs so as to be on my land by Jan 23rd 02, when my time expires. Sickness in my family, my wife having been a cruelly confined and still in delicate health has put me back and my crop is still off and stock in poor condition. Unless there is a great improvement my wife will not be able to bear a winter journey to such a distance. Under the circumstances I am compelled to ask the extension of time which the land laws allow in such cases when a showing is made. If granted I will be on in March. If it cannot be done, it will be known and I will come and view my land and come back after then in the spring.

Department of the Interior,
Land Patents Branch,
Ottawa, 6th July, 1908

I beg to hand you the letter from Mr. Duncan Ross, M.P., and the enclosure referred to therein, which is a copy of Mr. T.G. Wilson's letter complaining that his application to purchase the N.E. 1/4 of the S.E. 1/4 of section 32, township 9, range 2, West 5th meridian, was not accepted, and that he was very recently notified that this land had been disposed of by sale and withdrawn from his ranch No. 2640.

Mr. Wilson's application covers the S.E. 1/4 of the S.E. 1/4 of section 30, the N.W. 1/4 and the N.E. 1/4 of the S.E. 1/4 of section 32, all in township 9, range 2, west 5th meridian.

Mr. Wilson does not appear to have been notified that the land had been withdrawn from his lease and sold to some one else, unless he was written to from your Branch. According to the records of the Land Patents Branch the said land has not been disposed of.

Please let me have the full particulars of the case as disclosed by your records for the information of the Commissioner of Dominion Lands, inasmuch as the matter has been referred to me for report.

B.L. York, Esq.,

Chief Clerk,

Department of the Interior,

P.M. 11.

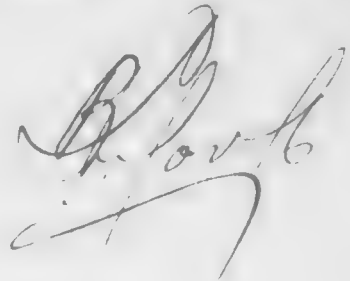

Mr. N.O.Cote:

Referring to your memorandum underneath, with respect to a communication received from Mr. Duncan Ross, M.P., enclosing one from Mr. T. G. Wilson in which the latter complains that his application to purchase the north half of the south-east quarter of section 32, township 9, range 2 west 5th meridian was not granted but that he was recently notified that this land had been sold and withdrawn from his ranche No. 2640, I beg to say that in 1903 Mr. Wilson acquired an open lease of ranche No. 2640 which comprised the north-east quarter of section 28, the south half of the south-east quarter of 30, and the north half ^{of} the south-east quarter of section 32, township 9, range 2 west 5th meridian. This Branch recently asked the Patent Branch for a report on these lands and one was received to the effect that the north half of the south-east quarter of section 32 had been sold to Mrs. Isabel Lynch Staunton, and in accordance with the practice of the Department Mr. Wilson was advised on the 9th ultimo that this land had been withdrawn from his ranche. You will find the report referred to on the accompanying file No. 3617- TGI, and if a mistake was made in reporting the standing of the land kindly let me know so that the matter may be rectified.

Mr. Wilson renews his application to purchase the south half of the south-east quarter of section and the north-west quarter of section 32, township

range 2 west 5th meridian, of which the south half of the south-east quarter of section 30 is included in his leasehold.

The matter of sale to Mr. Wilson is one for the consideration of your Branch, as the lease granted is an open one and the lands covered are, therefore, open to homestead entry and sale. I may say, however, that the regulations under which Mr. Wilson secured his lease provide that after a lessee has placed the prescribed number of stock upon the tract leased he may purchase a reasonable area within his leasehold for a home farm and corral. No evidence as regards stock has recently been received from Mr. Wilson.

Memorandum:-

I beg to return the letter from Mr. Duncan Ross, M.P., dated the 22nd ultimo, enclosing a copy of a letter from Mr. T.G. Wilson, dated Key Ranch, Livingstone, Alberta, the 16th ultimo, complaining that his application to purchase the N.½ of the S.E.¼ of section 32, township 9, range 2, west 5th meridian, included in his lease, was not accepted; and that he was recently advised that this land had been disposed of by sale and was withdrawn from his ranch.

Mr. Wilson applied some time ago to purchase the N.½ of land above described and also the S.½ of S.E.¼ Section 30, and the N.W.¼ of section 32, township 9, range 2, west 5th meridian, and he was advised by the Minister in a letter, dated the 19th ultimo, that he was unable at present to issue the necessary authority in this connection.

Upon enquiry of the Timber, Grazing and Irrigation Branch, I find that that Branch, having previously received a report from the Patent Branch that the N.½ of the S.E.¼ of the said section 32 had been sold to Mrs. Isabel Lynch-Staunton that Mr. Wilson in accordance with the usual practice had been advised on the 9th ultimo that this land had been withdrawn from his ranch.

A mistake was made in reporting the standing

J.W. Greenway, Esq.,

Commissioner of Dominion Lands.

of

JUL 10 1908

of the land, and upon Mr. York being advised to that effect, he states, that he will have the matter rectified.

Mr. York in his memorandum of the 8th instant to me, which is attached to this file, further states, that

Mr. Wilson renews his application to purchase the south half of the South East quarter of section 30 and the North West quarter of 32, township 9, range 2, west 5th meridian, of which the south half of the south-east quarter of section 30 is included in his leasehold.

The matter of sale to Mr. Wilson is one for the consideration of your Branch, as the lease granted is an open one and the lands covered are, therefore, open to homestead entry and sale. I may say, however, that the regulations under which Mr. Wilson secured his lease provide that after a lessee has placed the prescribed number of stock upon the tract leased he may purchase a reasonable area within his leasehold for a home farm and corral. No evidence as regards stock has recently been received from Mr. Wilson.

The N.½ of the S.E.¼ of section 32, township 9, range 2, west 5th meridian, which Mr. Wilson was told had been sold and withdrawn from his rancho, is vacant according to the records of the Land Patents Branch, and I regret to say was reported by mistake as being comprised in a time sale to Mrs. Isabel Lynch-Staunton. The sale to Mrs. Lynch-Staunton does not include this land, but part of section 33 adjoining.

I think Mr. Wilson should be telegraphed to at once that the land in question has not been disposed of to any one, and that it was withdrawn from his rancho by mistake.

A further letter, dated the 17th ultimo, from Mr. Wilson to the Minister, in this matter, has been attached to this file.

File 436176 T&M is being returned to Mr. York with a copy of this memorandum attached thereto for his information.

Sir:

In the 5th ultimo you were advised that as the north half of the south-east quarter of section 32, township 9, range 2 west 5th meridian had been disposed of by sale it had been withdrawn from your ranch No. 2640. I may say that a mistake was made in notifying you to that effect, as it is found that the land in question had not been disposed of. The land referred to has, therefore, been re-included in your ranch.

H. 711

In connection with Mr. G. J. Coote's letter of the 11th instant, hereafter, addressed to the Minister, enclosing an application from Mrs. Fannie M. Wilson to purchase the North West half of the South East quarter of the section above mentioned, intended evidently for the North half of the said South East quarter, I beg to report that this land is vacant according to the records of the Department and that in view of the applicant's statement to the effect that all her buildings have been located thereon, there would not appear to be any objection to disposing of the land under sale at a valuation per acre to be determined after an inspection of the same by a licensed inspector. Such sale would require of course to be subject to the purchaser filing here satisfactory evidence of ownership of the South half of the said South East quarter of section 31.

Respectfully submitted,

W. W. Cory, Esq., C.M.S.,
Deputy Minister of the Interior.

 " Mrs. Wilson should be granted permission to
 "purchase this land as they have resided on the
 "land for about 20 years, and the buildings were
 "erected on same by mistake. At the time they were
 "erected Section 35 was all enclosed with a fence and
 "they thought that they were on their own land until
 "just a few years ago, when the N. E. was sold by
 "Mrs. Wilson's brother-in-law and the same enclosed

 "the district just lately as low as \$1.00 per acre.
 "I value the N. E. of S. E. of Sec. 35-9-2-15th N. at \$2.00

 "this affair and desires to be informed by telegram
 "if she is permitted to purchase same."

"
 There would, under the circumstances, not
 appear to be any objection to disposing of the land
 by sale to Mrs. Wilson at the rate of \$1.00 an acre

MEMORANDUM:-

W.W.Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

I beg to return your Ref. 5947, being a letter from Mrs. Fannie M. Wilson complaining that the price asked by the Department for the N.1 of the S.E.1 32-9-2, West 5th M., containing 80 acres, which she was permitted to purchase at \$8 and acre, is much too high it being stated by her that patented land in that District has been sold for \$5.00 an acre, and to report that in December last Mrs. Wilson was permitted to purchase the parcel of land referred to at \$8.00 per acre, being the valuation of the Homestead Inspector.

The Homestead Inspector's report in this case, which is dated 17th November last, corroborates Mrs. Wilson's statement regarding the quality of the land which she has been permitted to purchase, and the price of the surrounding land. The Homestead Inspector's report in part reads as follows:-

"Area fit for cultivation - 20 acres. There are about 20 acres of this land that are in a small, the balance is hills and coulees and only fit for grazing purposes. Some land has sold in the district just lately as low as \$5.00 an acre. I value the N.1 of the S.E.1 of 32-9-2-W. 5th Mer. at \$8.00 an acre."

Under the circumstances, in my opinion, the Department would be justified in reducing the price from \$8 to \$5 as requested by Mrs. Wilson. I may add, however, that Mrs. Wilson recently wrote the Department asking on the same ground for the reduction in price from \$8 to \$5 an acre and her letter has not yet been answered, but it is proposed to submit the substance of that letter to the Agent of Dominion Lands for the Homestead Inspector's views thereon before taking final action in the matter.

File 708872, to which the correspondence in this case is attached, is returned to you herewith.

Respectfully submitted,

Controller.

Dear Mr. Coote,-

The other day you left with me the attached letter from Mrs. Fannie M. Wilson of "Key Ranch, Todd Creek, Alberta, wherein she complains of the valuation placed upon the north half of the south east quarter of section 32, township 9, range 2, west of the 5th meridian by our departmental Inspector.

I have discussed with the Department the representations made by your correspondent and as our Inspector reported that there were about twenty acres of this land in a state, the balance being hills and could fit only for grazing, it has been decided to reduce the sale price to \$6.00 an acre.

Mrs. Wilson has been writing the Department and she will be advised of the decision.

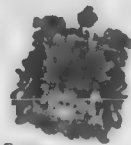

Yours very truly,

OTTAWA, 13th June, 1906.

Dear Sir:

RE: H.W. 4-30-3-1.5t M.
Fred Magoon.
Your Ref. - 15180.

I have your letter of the 3rd instant, and in reply I am to state that when making application for patent for his homestead, the land above described, on the 11th November, 1905, Mr. Magoon stated that he was 36 years of age.

In support of his application for patent he furnished a Certificate of Naturalization dated the 4th November, 1905. This document was returned to him on the 11th April, 1906, to Jackville P.O., Alberta.

I regret to state that I have no record as to the age of Barbara L. Magoon, although I might add that when making application for patent the entrant stated he had a wife and three children.

Yours very truly,

Director.

Dear Sir ,

I have received your letter dated yesterday asking me how I came to advise Jos Nault to sign a Transfer to Mr Gordon before he was old enough to do so, and I wish to say that I did not advise him to do so. The facts are these : Mr Gordon came to me and said that he wanted to secure the south half of Section 18 in Tp 47 Rg 23 West of the 3rd in which section he has a homestead with his brother-in-law, Mr Elliott, who are starting a big stock farm in partnership. Mr Gordon asked me how he should go about it and I told him he had better buy a Half Breed Scrip and put it on it and I told him of the Nault boys scrips. Jos Nault was in town that day and they made a bargain then and we all went to your office to locate the Scrip. I am sure no one ever thought of Jos Nault's age because he has every appearance of being 21 years old and besides this none of us knew that there was any age limit, and I am sure very few people know it now. When you told us Jos Nault would have to sign a Transfer I went and got it and it was fixed in your office at the same time. I did not then know there was anything in it about him being 21 years old.

Now the way this stands is this. Nault has a piece of land that is of no use to him and Gordon has failed to secure the piece he wanted, and I find that I am largely to blame for the disappointment of both though I meant very well for both. Is there any way you could manage to have this corrected ? Could Nault's Scrip entry be cancelled and made for other lands? If this can be done it can all be arranged so that everyone will be satisfied. If you will negotiate this change you will earn the thanks of three of us, particularly of myself as you see from the facts though I am not interested financially.

Yours truly ,

Sd Geo Day.

S i r ,

On 21st ultimo Joseph Nault of Jack Fish Lake made application for and obtained an Half Breed Scrip entry for S.W. 1/4 and the N.1/2 of the S.E.1/4 of 18, 47, 23 West 3rd E., and immediately afterwards he executed a Transfer of the land in this office in favor of J. A. Brown which was forwarded to Ottawa for registration. The affidavit of execution was made by Mr Dewar who happened to be here at the time. This Transfer has been returned under cover of a letter stating that Joseph Nault was born on the 6th July, 1845, and the Transfer cannot therefore be registered for the Transferor will not be 21 years of age for four years.

According to my recollection you accompanied Mr Nault and acted as his adviser and I will be glad if you will explain how he came to execute a Transfer under such circumstances.

Sir,

I have the honor to acknowledge receipt of your letter of the 16th instant, File 709132, returning Transfer Nault to S.W. and N.1/2 of Gordon of S.E. of 18, 47, 23 W.3rd M. and stating that the transferrer was born 20th July 1885, and is, therefore not twenty one years of age.

I enclose herewith a copy of a letter addressed to Mr Geo Day of this place who seemed to me to be the party most responsible for the occurrence and also a copy of his reply. I beg leave to direct attention to his enquiry as to whether the Scrip entry may be cancelled upon proper application therefor, and to ask that he be advised as to this.

So far as I know the transaction was exactly as stated by Mr Day; I have no reason to believe that the whole matter was not conducted in good faith, and that the boy's age was not thought of. Personally I would never have suspected that the boy was under 21 years of age, and as Mr Day says, none of the rest knew that there was an age limit in scrip transactions. Mr Dewan, the witness to the ^{transaction} affidavit, does not recollect understanding that the boy's age was mentioned in his affidavit but he says it was all the same because he would not have hesitated on that account ^{for} because he thought Nault was more than 21.

Sir,

I am directed to say that the Registrar at Battleford has forwarded to this Department a copy of your letter to him of the 25th ultimo, in regard to the transfer by Joseph Nault to J. A. Gordon of the S.W. $\frac{1}{4}$ and the N. $\frac{1}{4}$ of the S.E. $\frac{1}{4}$ 18-47-23 W. 3rd N., which ~~xxx~~ ^{he} had located with his Half-breed land scrip, but which transfer could not be accepted as Mr. Nault was not 21 years of age. I may explain to you that the age limit to which you refer is not laid down by any rule of the Department but is merely a matter of ordinary law, as the document having been executed by a minor would have no legal effect and would therefore pass no title to the assignee. If Mr. Nault makes application over his own signature for the cancellation of the location the matter will receive consideration.

Sir,

I am directed to acknowledge your letter of the 5th instant regarding land scrip for 240 acres which you say you purchased from J. A. J. Lay and which scrip was to be located on the N.W. 1/4 and the N.E. 1/4 of the S.W. 1/4 16--4--20 3rd T. On the 10th of August last Mr. George Lay, of Battleford, was advised in regard to the transfer of this land by Joseph Nault to yourself that the transfer could not be accepted, as Mr. Nault was not 21 years of age and the document having been executed by a minor would have no legal effect and would, therefore, pass no title to the assignee. Mr. Lay was further advised that if Mr. Nault made application over his own signature for the cancellation of the location the matter would receive consideration.

Sir,-

M.H. 4 Sec. 12 Tp. 41 Rge. 22 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

You have been recommended for patent for the
S.W. 1/4 of Section 26 T^h 5th Rth 24 West of
4th Meridian which, according to the official
plan of survey contains an area of 148 acres, the
remainder of it being covered by the waters of a certain
lake. As the waters of this lake may have increased,
making the land which was then covered by water more or
less fit for cultivation, it is possible that you may
wish to have the patent for your estate issued to cover
the full area of 160 acres, which is
the full area of the land covered by water.

If you desire the patent issued in this way,
your claim with the Department should be declared in
a form of which is herewith enclosed, to be in
accordance with the provisions of "The Land Evidence Act,
1883," that the land covered by the waters of the said
lake, as shown upon the official township plan, is not
any, the patent can then be issued for the full area of
160 acres, more or less.

Dear Sir:

We have your favor of the 21st. ultimo re Charles Brown's application for homestead together with a copy of a letter addressed to Messrs Haultain McKenzie and McNeill dated July 18th., 1902. It is not the fault of Mr. Brown that you have no records of his claim to this land as he was given to understand by the Dominion Land Surveyor working in the District, that he had authority to receive the entry and had reported it to Ottawa.

lower Mr. Brown, laboring under this impression, has gone and made considerable improvements more than are required by the Statutes and it seems hard on the bona fide settler to be deprived of property which he has improved while his next door neighbor has a homestead entry granted him when they were in identically the same circumstances.

From your letter I understand that the patent is issued to the Calgary and Edmonton Railroad Company for that portion only South of the river although the whole section has been taken. It would seem to me that your Department could easily exchange some other quarter-section for the land upon which Brown has settled. I am informed by what I believe to be reliable authorities that such a thing has been done before and we would

ask your Department to consider that justice in the case would
almost guarantee an entry to Brown.

If such a thing is possible will you be good enough to
inform us the proper steps to take in order to secure for Mr.
Brown the entry asked for.

Memo - Mr. Pereira:-

November 13th, 1902.

Please write Messrs. Osler, Hammond and Nanton stating that an application has been made to the Department on behalf of Mr. Charles Brown to obtain a homestead entry for the NW $\frac{1}{4}$ of Sec. 31 - Tp. 5 - R. 26 - W. 4th., North of Waterton River, on the ground that he was a squatter before survey. He claims to have been in actual possession of the land since 1893 and to have made improvements including a considerable portion of the land cultivated and **fenced** and to have built a house and out-buildings. The Department had nothing on record prior to this application to show that the land was claimed by Mr. Brown or anyone else except the Railway Company and the land was patented to the Company on Dec. 17th, 1901.

Would the Company be willing to reconvey this land to the Crown so that Mr. Brown may obtain an entry, if found to be entitled thereto, in exchange for an equal area from some even-numbered section to be selected by them?

Reply to Messrs. Harris and Hicks' letter of 2nd ult. as the Agents of the Railway Company have been asked if they would be willing to reconvey the land in question to the Crown, (it having been patented to the Company on Dec. 17th 1901) in order that Mr. Brown may obtain an entry if found to be entitled thereto. Upon hearing from the Agents in reply they will be further communicated with.

He claims to have been in actual possession of the land since 1893 and to have made improvements including a considerable portion of the land cultivated and fenced and to have built a house and outbuildings. The Department had nothing on record prior to this application to show that this land was claimed by Mr. Brown or anyone else except the Calgary and Edmonton Railway Company and the land was patented to the Company on the 17th December, 1901. Under the circumstances I am to ask whether the Company would be willing to re-convey this land to the Crown, so that Mr. Brown may obtain an entry therefor. The Company would be compensated by being permitted to select in exchange an equal area from an even-numbered section.

Sir:

With reference to your letter of December the 12th., I have interviewed Mr. Brown and he denies being under negotiations with E. H. Maunsel for the sale or disposal of his interests on the land.

We understand that one Dennis Sculley is an applicant for the purchase of the land in question from the Calgary and Edmonton Land Company and his Application is made without any reference whatever to the rights of Brown as a Settler.

Mr. Brown is a bona fide settler and has more than complied with the Homestead Law by Improvements and Cultivation, and it would seem an extreme hardship if he were now deprived of his rights, even though he may have been negligent in bringing this matter before the notice of your department. We hope however that your Department will see its way clear to grant him a Homestead entry of the Quarter Section in question so that he may be able to prove his right and obtain his title.

FOR

1904

Gentlemen:-

F.709927

Mr. Chas Brown has to day again asked me to bring this matter to your attention. Mr. Brown is suffering from a great injustice from the fact that he located on the said land in good faith and lived there for about eight years and did more than the improvements required by law and he believed that he had made an entry for the land to one of the Dominion Land Surveyors who took the entry at his place. Now he is dispossessed of the property, his improvements are lost and I understand that the C. & E. Ry. Co. has sold the land. Mr. Brown is not desirous of bringing an action but thinks that he entitled to some consideration from the Department, for the time and labour lost on the land.

I am desirous of placing this matter before the Department in the proper light and ask that this wrong be made right. Mr. Brown was bona fide settler and I submit that he is deserving of fair treatment.

I would suggest that Brown be given a patent for some other quarter section of his choice as a satisfaction for this wrong. Kindly look into this matter and I hope that you will be able to do justice to the person wronged.

Yours truly,

Joseph Hicks

In reply to your letter of the 6th instant, in which you state that Mr. Charles Brown expected and was entitled to certain land and that he has been unjustly deprived thereof, I am directed to say that it is my duty as far as the N. 1/4 section 11, township 5, range 16 east north western, lying north of the Ontario River, and to say that the facts with regard to this parcel are as follows:- Mr. Charles Brown claimed to have been in actual possession of the quarter section since 1870 and to have made extensive improvements thereon. The railway therefore advised the following:- The railway company whether they would be willing to purchase this land to the knowledge that Mr. Brown might obtain a title therefor. It was subsequently represented that Mr. Brown had made an arrangement to sell his improvements upon the land to Mr. J. L. Jones and Messrs. Selzer, Leonard & Carter, who were acting on behalf of the railway company, enclosed under date the 1st March, 1900, a quit claim deed from Mr. Brown to the Messrs. Selzer, Leonard & Carter were advised by the firm of the same month that this quit claim deed was satisfactory.

Memorandum.

Mr. Goodeve:-

In the matter of Charles Brown and the N.W. 1/4 of Section 31, Township 5, Range 26, West Fourth Meridian, lying North of the Waterton River, upon which he claims to have been a squatter before survey, please see our letter of the 25th November, 1902, to Osler & Co. Osler^{Co} understood that Brown was prepared to make an arrangement to sell his improvements to one, E.H. Maunsell who had applied to the Company to purchase. Messrs Harris & Hicks of Macleod state that Brown denied having entered into negotiations with Maunsell and that he was a bona fide settler. This information was given to Osler & Co. on the 16th February, 1903, and they replied by sending us a Quit Claim Deed from Brown to Maunsell, of this land. On the 8th December, Mr. Hicks writes again on behalf of Brown and we replied giving him the facts of the case.

Mr. Hicks now writes a further letter on the 12th ultimo, and encloses a petition that Brown be granted title to a quarter section of land as a homestead to be free of all further duties as a homesteader. He selects the N.W. 1/4 of Section 14, Township 5, Range 27, West Fourth Meridian; and, if, unavailable, he applies for the N.W. 1/4 of Section 22, in the same Township. Mr. Hicks says these lands are not settled upon and that Mr. Brown would be satisfied with either, preferring, however, the first named.

The N.W. 1/4 of Section 14 was patented on the 3rd December, 1901 to the Calgary and Edmonton Land Company; and the N.W. 1/4 of Section 22 appears to have been finally accepted by that Company.

MEMO;

The Commissioner of Dominion Lands,

I would refer you to Mr. Pereira's Memo. , addressed to me , relative to the claim to the NW $\frac{1}{4}$ 31-5-26 W.4th M., by Charles Brown , who says he was a squatter before survey. He has filed here a Quit Claim of all his interest in the said land to Messrs. Mannsell Bros., and also files on behalf of himself a petition from settlers resident in the near vicinity , asking that he be allowed a title to a quarter section free from further homestead duties on account of having been improperly dispossessed of his claim, and mentioning two quarter sections , either of which he would make entry for, but which lands are not available.

The question that is to be decided is, whether or not he is entitled , without performing further duties, to a title to a quarter section.

I think he should make entry and if he can prove having fulfilled the duties upon the land he claims to have been dispossessed of, to your satisfaction, he might be granted a patent for the land he may now enter for.

I have always feared it, and it is certainly
not adapted to pasture.

1/10, 1903. COMMISSIONER.

Sir,

Almost three years ago a certain gentleman, ^WAlek Twardowski, took up a homestead in Western Canada, S.10 - T. 24 - R.19, N. West Q. His great poverty having obliged him to work here

and there at a distance in order to maintain his large family, he could not make the improvements demanded by law. The result was that another proprietor took his homestead. Now he

has heard from his brother that you have written to A.T.W. a letter, and he supposes that you asked him, whether he will live on the same homestead, but the letter was sent twice by post to Fernie but did not reach Alek Twardowski. As a consequence Mr. A.Twardowski humbly begs you to give him the right

to another homestead, and if it is possible, and as he has already spent \$10, he begs you further to make a transfer on another homestead, that is to excuse him from paying the 10 dollars twice.

In hopes of being favourable heard.

I remain,

your humble servant,

Dear Sir:

receipt No 2938 held Homestead
D. E. of Sec. 4 25. 15 (Richbridge agency) for
under date of August 22nd 1901.

The above quarter section last fall
the grass was very long and the
mounds were next to impossible to
find however found a mound
the north east of Sec. 4 and from
this found a tin on the south
East corner this was the only tin
I could find although 2 found
Several mounds in the vicinity the
tins had evidently been removed.
From the tin found I
measured my half mile and
his interest for South East quarter
as shown by receipt No 2938

Later in the full Prairie fires
 burned out the last grass, and this
 spring (or early a few days ago) my
 two brothers which myself went
 over the ground again as they were
 taking up farms near me and
 when we saw now find each
 mound we found that the tin
 as shown on the corner of
 my farm had been misplaced
 in some way half a mile west
 of where it should have been
 which leaves me with my improvements
 on South West instead of South East
 quarter of Sec. 10. Will you kindly
 have my entry changed without extra
 South West quarter without extra
 cost or loss of homestead rights.
 I have notified Land agent,
 Leckler & Co. to protect my improvements
 until you can make the change.
 Yours very truly

Please refer to your communication of 26th ultimo to the Agent of Dominion Lands at Lethbridge, wherein you advised that the reservation for public grazing purposes of certain lands has been cancelled.

In connection with these lands it is noted that the H.W. 1 12-9-3 W. 5th Meridian was patented to Mr. Joseph Pete Pisony on the 18th November, 1919, and also that the H.W. 1 28-9-2 W. 5th Meridian is School Lands.

It is assumed that these lands should not have been included in the list furnished the Agent and I am to request that you advise me with the least possible delay so that the Agent may be instructed to dispose of the remaining lands under the existing regulations.

I beg to acknowledge the receipt of your letter of the 28th ultimo, requesting to be advised whether the above mentioned land is up for sale.

In reply I beg to state that this quarter-section is School Lands and under the provisions of the Dominion Lands Act can only be disposed of at public auction.

MEMORANDUM

Gamer
A protest has been entered by one G. Percy Blythe and seven others against the issue of a lease for grazing purposes of the North half and South West quarter of Section 11 - 12 - 5 West of the 4th Meridian, the ground of the protest being that if the lease were granted, it would make six miles of continuous fencing along Ross Creek and thus shut off entirely the right of grazing for a large number of cattle.

In regard to this I would point out that Mr. G. Percy Blythe, who heads the petition, made application for a lease of this same land for himself in August last and was advised that a lease of this land could not be granted as there was a prior application for the same. *ff.*

Sir,

Referring to your letter of the 10th ultimo, concerning a petition from certain residents in the vicinity of Ross Creek, N.W.T., relative to the issue of a license for grazing horses on the North West quarter of Section 11, Township 17, Range 5 West of the 4th Meridian, I am sorry that your protest does not appear sufficient to cause the Department to refuse a license.

I am sorry that the Department as the Trustee of the School Lands is bound by the terms of the grant to issue a license, and as it is possible to issue a license for the administration of these lands, and since you have already paid a license fee against the issue of a license, the Department could not well refuse to issue a license.

I am also to point out to you that you yourself were a petitioner for a license of the North West quarter of Section 11.

Memorandum:

Please see letter, hereunder, from Mr. James H. Harper, forwarded here by the Deputy Commissioner of Agriculture for the North-West Territories. You will see that Mr. Harper asks that steps be taken to have the fence removed from about Section 11, in Township 12, Range 5 West of the 4th Meridian, as he points out that this land is not under lease nor owned by the parties who have put up the fence. I would suggest that the Agent be instructed to send the Homestead Inspector to visit the land and ascertain whether any persons are using it, and if so that they be notified to remove the fence and cease from any further occupation of the section.

Messrs Paul and Bonland, of Medicine Hat, were advised by letter of the 15th of October, 1902, that upon their remitting the rental for the first year for the North half and South-west quarter of Section 11, in this Township, a lease therefor would be issued in their favour, but they never availed themselves of the opportunity of taking out the lease.

Sir,

I have the honor to enclose herewith copies of papers in the case of the application of James Daley to homestead the NE 1/4 30-10-27 West. and on behalf of his partner William Whiteway that he be granted Homestead entry to the SE 1/4 of the same section. failing to obtain Homestead entry by Whiteway that he Daley, be permitted to pre-empt the said section.

The originals have been returned to the Calgary Land office pending final action, when they will be forwarded to H.O.

This claim was taken up in 1882 by one Robert Bootman, who is reported to have lived on it a good deal, but his improvements were not extensive consisting of a house and corral which he sold to present claimant in June 1884 for \$125. since the latter date, present claimant has lived continuously on the land, and his partner, Whiteway a portion of the time when not there he has had a man working for him, Whiteway, the latter is a leaseholder himself (Ryan & Whiteway claim no 3.) a blacksmith lives really in Macleod and follows to a considerable extent his trade. Whiteway and Ryan have dissolved partnership and divided up the stock. Daley values his buildings at \$300 Corral \$400. fencing upward of 1 1/2 miles at \$1200 and has 20 acres broken. If the valuations for buildings are proportionally as much too high as that placed on the fencing the improvements would not be very valuable. \$400 would be a liberal valuation for said

finding

Daley states he did not know he was settling on the Oxley Ranch lease no 8. This would seem probable from the fact the said Rancher caught out a squatter who was located about where the line between Secs 30 & 31 crosses the ^{Creek} ~~road~~ ^{trap}, and have utilized his house corral & breaking for purposes of a cow camp. Two brothers named Nelson have settled on the SW 1/4 31 in this Township and although the line ~~was~~ run between Secs 30 & 31 I think on survey it will be found that the said cow camp is also on the SW 1/4 31.

Lease no 8 is dated 25th June, 1887. Mr Craig who was manager of the Oxley Ranch until a few days since, being succeeded by Mr H Stanley Pinkhorn from whom, before I left Calgary the Agent had received a letter making certain enquiries about entries applied for within said lease, and from the tenor of his note I inferred he considered Mr Craig had taken action regarding squatters which the company did not approve. I mention this as from a conversation with Mr Craig I inferred he was agreeable to Daley obtaining entry but you may consider it advisable that the consent of Mr Pinkhorn be obtained on behalf of the Co. His P.O. address is H. Stanley Pinkhorn Manager Oxley Ranch near Oxley P.O. Alberta.

I cannot see that Whiteway has any claim to a Homestead right here, and recommend that Daley be granted H & P. right - the 6 1/2 of Sec 30 - 10 - 27 W. T. subject to whatever condition may be imposed by the Governor in council regarding entries within Secs.

It would seem as far from fair to leaseholders
that

43663

that squatters within a lease should keep, as they
or white way do, several hundred head of cattle
and have them grazing on land for which a rental
is paid by others.

All of which is respectfully Submitted.

I have the honor to be,

Srs.

Your obedient servant,

Wm. Pearce

Dear Sir/

Mr. James ~~xxx~~ Daly, who has since 1884 occupied the N.E. 1/4 of sec. 30-10-27 w. 4th, and the S.W. 1/4 of sec. 32-10-27, w. 4th, has asked me to write to you about an entry which has been made by some-one on the S.W. 1/4 of 32-10-27. This entry was made last Monday at the land office here. I wired you this afternoon asking you to withhold entry until you received this letter from me.

The facts are these: As I stated above, Mr. Daly took up both of these quarter sections in 1884. On the former quarter section Mr. Daly has been carrying on farming operations continuously since that time. In 1886 he fenced in the S.W. 1/4 32, and he has been growing crops and farming it continuously since. At that time he intended to homestead the N.E. 1/4 of 30, and to pre-empt, as he had a right to do, the S.W. 1/4 of 32. He went to Lethbridge when Mr. Cunningham was agent, he thinks some eight years ago, to make application to do both. He was told by the agent that the land was under lease, and that no entry could then be made for it. He was told, however, that his application would be noted and that, when the leases were cancelled, he could make the ~~xx~~ entry. I forgot to mention Mr. Daly has this a crop of wheat on the land for which an entry has been applied as before stated, and also timothy. Some three years the Homestead Inspector visited Mr. Daly's place, saying that he had been sent by the department to inform Mr. Daly that he could take a second homestead. It would seem that Mr. Daly is entitled to this land in either one of two ways. He could not get as a pre-emption when he applied owing to the leases. Afterwards he became entitled to it as a second homestead. He does not mind which way he gets it. I would be glad if you would let me know if you can take any action in the matter, and if not, if you will hold off any application for entry for the land until I can communicate with the department. I enclose letter which will show that Mr. Daly was entitled to two quarter sections in 1886.

Wood in which it is stated that Mr. James Daly who had the right at one time to enter the land, has valuable improvements on this quarter section. Mr. Wood telegraphed me on the 25th ultimo to withhold entry pending the receipt of his letter, therefore I have not forwarded the receipt to M. Kerney. I cannot understand why Mr. Daly did not enter for the land some time ago, as he was advised on the 10th August, 1886, that he could do so. Please see C.O. letter file 43663.

To the Agent for Dominion Lands,

Sir:-

I beg to advise you that under instructions from Mr. J. W. Reid of Olathe, Alberta, I wish to place half breed scrip on the S. 1/4 and the N. E. 1/4 of Section 36 - 32 - 26, T. 4, in the name of Edward Wilkinson, farmer, of Newcastle, Nebraska, N. B. I. I have already set the necessary scrip for this purpose, parcel, No. 1376 in the name of Mrs. Ross, and 1378 in the same name. I have sent into the northern country for the half breed to come over and make the necessary entry in your office, but owing to the state of the roads, and the consequent difficulty in sending messengers to outlying places, there may be some little delay in getting this run down. Under these circumstances I beg to request you, if you can see your way to do so, to hold the lands above referred to until this half breed can get in to make the necessary location.

Dear Sir:

This office has under investigation the citizenship status of one JAMES or JAMES EDWARD PETERS, a native of the United States born at Holden, Utah on June 16, 1871, who emigrated to Canada about the year 1901. About 1903 he alleges that he filed on a homestead in the vicinity of the Milk River on the latter land, about 20 miles south and east of Ingarth, Alberta.

However, he is not certain as to whether he proved upon and obtained a patent, but he admits having sold the same several years later or about 1908, to one Sherville Benson or Benson, who had land adjoining.

Will you kindly inform this office what your records show in this matter and if final proof was made, what evidence he presented of Canadian citizenship. It is possible the subject also resided in the vicinity of Cardston, Alberta, and may have had land in that vicinity.

Thank you for your cooperation with our service in this matter,

Very truly yours

DEPARTMENT OF THE INTERIOR,
20th October, 1902.

Mr. Ryley,

On the 7th July last the Agent of Dominion Lands, at Lethbridge, reported to the Department that the West 1/2 of Section 30, Township 7, Range 1, West of the 5th Meridian, had been recommended for a stock watering reserve. There was no record in the Department here of any such recommendation having been made and the Agent could not state upon what authority this note had been made in his books. It was decided, however, that Mr. Stewart should report upon the matter, and he now states under date of the 27th ultimo that he visited the place and found the land rough, broken by coulees and unfit for cultivation, besides having an abundance of water on it the nature of the ground affords good shelter for stock during the winter. Therefore Mr. Stewart recommends that this half-section be reserved for stock watering purposes. I presume the recommendation may be approved.

OTTAWA.

Dear Sir:-

I beg to call to your attention that yesterday, Aug. 10th., I personally made application at the Dominion Lands Office at Edmonton to file a claim to the S.W. 1/4 of Section 16, Tp. 2, R. 1, W. 5 but was refused permission to do so, the reason given being, that the land is a "water reserve". I was given to understand that the land being a water reserve meant that it is held as a place for stock to drink water.

In relation to this I wish to set forth the following facts:

1-That there is a course in the land through which water runs for a time in the year but it is not perfectly dry and has been for some months. I am familiar with the land, and know that it has been the case each year.

2-That there is no longer any occasion for the land being held as a water reserve for the reason that there is no longer any stock running the range in the locality in question as the land and the surrounding country is fenced and is now farming land. I wish to say further that the land is no longer available for the purpose for which it is held for the reason that it is enclosed on all sides by a post and rail fence and stock could not get to it were it true that there is no longer any stock range in the locality.

I am desirous of establishing a claim to the quarter in question and beg therefore that an order be made withdrawing the land from reserve and that I be permitted to locate it. I am desirous I will furnish any number of affidavits confirming the truth of my statements.

(D.M.I. 2)

Permit me to say further that inasmuch as the Dominion Lands
agent at Lethbridge refused to even file an application, rendering it
possible for another application to reach Ottawa prior to the receipt of
this letter by the department, I shall ask that the application made here-
with be considered as the first and only other application ever reached
the department ahead of the one I shall ask to be considered. That the
agent of Dominion Lands at Lethbridge refused to file an application
application.

I shall therefore request that you will forward the same to the commi-
sion.

Very respectfully,

Fred B. Cummer,

ACTED

Sir.

I am directed to acknowledge the receipt of your letter of the 18th September last, and to say that the S.W. 1/4 of section 30, township 7, range 1, west 10th meridian, which you desire to acquire in connection with the settlement of your claim to compensation for improvements made by you on said subdivision of section 30, township 7, range 1, west 10th meridian, is not available as it is reserved for stockwatering purposes, and besides, in the event of such reserve being withdrawn, under the practice of the Department in such cases, the said land would be allocated of at public auction.

I may add that an application was recently made to surrender the S.W. 1/4 of the said section 30, and the applicant was advised to the foregoing effect.

Very obediently, your servant.

Dear Sir

on your visit to Frank Little
we had a certain conversation regarding
that 14 Section I am to get for compensation
of my lost improvement here, you
promised me I would get the land if I
could get the nearest neighbours to take a
separate affidavit that it is not necessary
for stock watering purposes. I have sent
you sixteen of the nearest, is it not enough
or what is the matter that I am not getting
your title. I also sent the required sum of
\$160. - as agreed upon. I have been put to quite
an expense taking a lawyer down with me to see
all these people. Now I wish you would give this
your immediate attention and have these things
fixed up. So we know where we stand.

Memorandum:-

On the 21st ultimo I addressed a memorandum to the Minister, respecting Mr. I. S. Palletier's application to purchase a certain quarter-section, in which memorandum I stated a refund cheque in favour of Mr. Palletier for \$100.00 tendered by him had been issued, which it was proposed to forward to him together with a letter intimating that the land applied for was not available, as the same was reserved for stock-watering purposes, but that in view of Mr. Palletier's personal letter to the Minister, before this action was taken, I would await the Minister's instructions.

Will you please let me know whether the action above indicated may now be taken, or whether the matter should be further held in abeyance.

I am enclosing a map of the 17
to try and show you what land in question
break any more land on it without
cutting down my pasture land for stock.
if you would have the homestead inspector
call in I would probably show him
and explain better than I can by letter
it would cost me more to have a survey
of the section 20 than it would to give
them the land. I would like to see
it would be better to let this section
back in the interest of the government.
I have a talk of land near the monument
on the S. side of the monument. I am
living on it but would not sell it in
place of the others, but what see why
I have to make so much extra expense, then
this is my home and want to stay here
with my home.

Sir,

I beg to acknowledge the receipt of your letter of the 24th ultimo, and in reply to say that you should comply with the cultivation duties under which you were permitted to purchase the South West $\frac{1}{4}$ of Section 30, Township 7, Range 1, West of the 5th Meridian, if you wish to make a successful application for patent.

OTTAWA, 17th May, 1924.

MEMORANDUM:

Mr. Hume.

Re application of Henry S. Pelletier
to purchase the H.W. 11-10-24-W. 4th M.
.....

In 1900 Mr. Henry S. Pelletier applied to purchase a portion of Section 36-7-4-W. 5th. In January 1901 Mr. Joseph Little applied to purchase Legal Sub-division 11 of this Section, and it was decided that if Mr. Pelletier did not furnish a description within 20 days setting forth the particular 10 acres which he might desire to purchase Mr. Little would be granted permission to purchase the land for which he had applied.

The sale to Mr. Little was subsequently carried out, and it was found that there were improvements on the land placed there by Messrs. Pelletier and Wannamacher. These improvements were valued by a Homestead Inspector at \$66.00, but Mr. Pelletier protested claiming that he had a lime-kiln on this land which he valued at about \$600.00. This question was the cause of considerable correspondence in the Department owing to the fact that the Inspectors would not place any valuation on the lime-kiln, and it was also the cause of Court action being taken by Little against Mr. Pelletier.

While the Department did not take any legal responsibility in the matter it was decided in order to close out the case to allow Mr. Pelletier to purchase the H.W. 24-7-4-W. 5th M. at \$1.00 per acre upon his paying into the Department the sum of \$20.00 for the benefit of Mr. Little. This sum was to cover moneys received by Mr. Pelletier for the renting of the house on the land in question after the sale of the land to Mr. Little, and the payment of same to the Department on Mr. Little's behalf was to be on the understanding that Mr. Little would withdraw his Court action against Mr. Pelletier.

Mr. Pelletier refused this offer, and it appears that Mr. Little proceeded with the Court action, and secured judgment against him. He then expressed his willingness to accept this quarter section in compensation for the loss which he suffered, but in the meantime the land had been disposed of.

He was then allowed to take any available quarter-section in the district, and selected the S.W. 30-7-1-W. 5th Mer., which was not available owing to the fact that it was set apart as a stock watering reserve.

He then applied for the S.E. 25-6-3-W. but as it was not surveyed he was advised that his application not be considered at that time. On the 6th May, 1909, he was that that part of this land north of the river was claimed squatter before survey and that portion south of the river in a grazing lease. He was also informed that it would be for him to take advantage of this permission before the

as the privilege given him to select a quarter-section would terminate at that date.

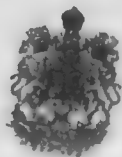

On the 12th December, 1910, he was advised that he would be allowed a period of 90 days from that date within which to select an available quarter-section, and he was informed that this extension was granted on the understanding that if he did not select land within that time limit no further extension would be granted.

This appears to be the last correspondence which the Department has had in this connection until the 24th ultimo, when Mr. Pelletier communicated with the Honourable Frank Oliver stating that he wishes to purchase the N.W. 1/4 11-10-24-W. 4th M. This letter has been forwarded to the Deputy Minister who has asked for a report.

According to the standing of this land it was formerly School Lands, but was required for the Lethbridge Northern Irrigation District and was surrendered from the School Endowment Fund and other land taken in lien thereof. This was approved by Order-in-Council, P.C. 533 of the 2nd ultimo, and is therefore not available.

As Mr. Pelletier has failed to select any land under the time limit given him on the 12th December, 1910, and has taken no action in the matter until the present, I would recommend that he be advised that owing to the length of time which has elapsed the Department does not consider it advisable to re-open his case and that at any rate the land for which he applies is not available.

SENT

Sir,

MAY 30 1924

With reference to the representations which you have made with regard to the permission which was granted you some time ago to purchase a quarter-section of available Dominion lands at \$1.00 per acre, I beg to inform you that the quarter-section which you now request to be allowed to purchase, namely the North West quarter of section 11, Township 10, Range 24, west of the 4th Meridian, is not available for disposition by the Department. It is now reserved for sale to the Lethbridge Northern Irrigation District.

However, in view of your representations and notwithstanding the fact that the permission to purchase which was formerly granted to you has expired, it has been decided to allow you a period of one year from this date within which to select any vacant and available quarter-section of land on the same terms under which you were formerly allowed to purchase land in compensation for certain losses which you appear to have suffered. You will understand that this privilege is strictly non-transferrable and that the selection must be made within one year from the date of this letter.

When you have made your selection the presentation and surrender of this letter to the Agent of Dominion Lands for the district in which the selection is made will serve as his authority for reserving the land in his records and reporting the matter here for approval.

Henry S. Colletier, Esq.,
Monarch,

Your obedient servant,

Secretary.

Application to purchase

Henry S. Pelletier.

In reply to your memo of the 8th, I submit the attached sketch showing the grazing application of Charles A. Orleans which covers seven quarter-sections including the two now under consideration.

As you desired information as to the present position of the grazing application, I am submitting T. & G. File 610812 upon which has been obtained from Mr. York's office and upon which you will find a statement dated yesterday setting forth the position of the grazing application.

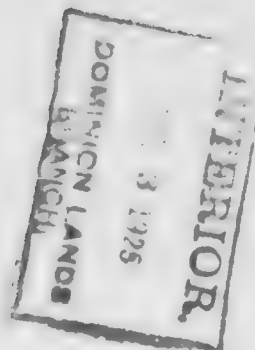

As to Inspectors' reports, the T. & G. file shows a report from Inspector Wyllie dated March 11, 1924 (marked by slip), also a later report from Mr. Wyllie dated May 6, 1924. The effect of these reports is set forth in the memorandum on the face of the T. & G. file.

Respectfully submitted,

Memorandum.

A. 22-47-4-W. 8th M.

According to your file Mr. C.A. Orleans has applied for a grazing lease of seven quarter-sections including the above described half-section.

This land is also applied for by Mr. Henry S. Pelletier who wishes to purchase one quarter and to homestead the other. In this connection Mr. Pelletier has been in communication with the Department since 1900 claiming compensation for damages sustained in connection with improvements effected by him on Section 36, Township 7, Range 4, West 8th Meridian. He was allowed the option of selecting an available quarter-section for purchase but allowed the option to lapse and renewed it last year and on his representations it was extended. He claims that the Sub-Agent at Redford, Alberta, furnished him with a list of available lands and out of this list he selected the above half-section as suitable for his purpose. On making application for same to the Agent at Edmonton it was ascertained that the lands were reserved in connection with an application for grazing. Moreover, as a Homestead Inspector reported that the lands are suitable for stock homesteads and in view of Mr. Pelletier's representations, the Acting Commissioner has requested that this matter be taken up with you with a view to having this half-section deleted from Mr. Orleans' application for a grazing lease.

Encl.

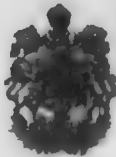

I am enclosing herewith a copy of the Acting Commissioner's memorandum and would request you to kindly advise me when the necessary action has been taken by you in this connection.

MEMORANDUM.

Mr. Name.

4.2 22-47-4-W. 5th M.
Applied for by Henry S. Pelletier.

Mr. Pelletier was granted an option to purchase an available quarter-section at \$1.00 per acre in compensation for damages sustained by him in connection with improvements on Section 26, Township 7, Range 4, west 5th Meridian. This option expired and last year he renewed his application. He subsequently selected the above described half-section, but on application to the Agent at Edmonton it was found to be held under an application for a grazing lease.

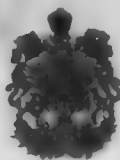

According to information which has recently been received from the Timber and Grazing Lands Branch the east half of Section 22 has been withdrawn from the application for a lease as it has been found upon inspection to be suitable for a stock homestead and is therefore not of a class which can be leased under the existing regulations.

Mr. Pelletier wishes to homestead the south east quarter of the section and to purchase the north east quarter. I presume it will therefore be necessary for the Department to post these two quarter-sections for settlement purposes, advice being sent to Mr. Pelletier, and if he is the successful applicant he can be allowed to enter for one quarter-section as a homestead, provided he is eligible to do so, and to apply for the purchase of the other quarter-section at the rate of \$1.00 per acre.

However, in view of the fact that he has been in communication with the Department in this matter for such a long time it may be advisable in order to assist him in closing out his case to allow him priority in the matter of obtaining at least the land he wishes to purchase.

With reference to your communication of the 16th May last, stating that you wish to be granted the right to purchase the North East quarter of section 22 and to homestead the South East quarter of this section, I beg to inform you that your representations have received consideration and it has been decided to withdraw this land from the application for a grazing lease which had been made for same.

Under the circumstances, it has been decided to allow you to apply for one of those quarter-sections as a homestead, provided you are eligible to make entry, and to exercise your right of purchase in connection with the other quarter in accordance with the option granted you to purchase a quarter-section of land in compensation for damages sustained in connection with the improvements placed by you on section 22, Township 7, Range 4, West 5th Meridian. Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 7th February, 1928.

The Committee of the Privy Council have had before them a Report, dated 28th January, 1928, from the Minister of the Interior, stating as follows:

Application has been made by the Rotary Club of the City of Calgary in the Province of Alberta, to acquire the fractional South West quarter of Section 29, Township 23, Range 1, West of the 5th Meridian, lying North and West of river, comprising an area of 49 acres, more or less, for the purpose of establishing thereon a boys' and girls' camp.

The land referred to was held under grazing permit by Mr. William J. Rowley, who has surrendered his interest in the permit in order that the land might be made available for disposition to the applicants.

In view of the nature of the application, the Agent of Dominion Lands at Calgary was requested to have a homestead inspector visit the land and furnish a full report concerning same.

A homestead inspector's report has now been received in which it is set forth that this fractional area consists chiefly of side hill together with a flat of about 15 acres covered with a few trees, and is considered \$10.00 per acre a fair valuation for same. He states there is no person in occupation of the land; that there are no improvements thereon and that the Rotary Club wishes to obtain the whole fractional area in order to enable them to enclose it with a fence and to better control the land.

The Honourable
the Minister of the Interior.

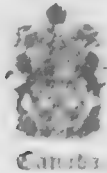

The Minister, in view of the fact that application is made for the land to be used for public purposes, recommends that he be authorized to surrender from the School Endowment the land referred to herein and to select other land of equal value in lieu thereof.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

Dear Mr. Stewart-

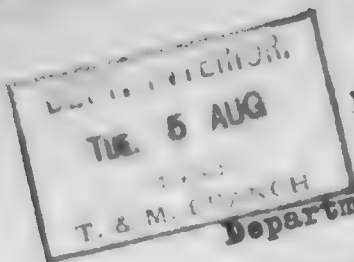

I enclose you herewith a homestead entry for J. F. Mc Dougall. The place he entered for at McLeod, had been entered for some time previously at Vethbridge. Mr. Mc Dougall is now asking for an entry for all of S.E. 1/4 Sec 2-2p 10. Range 28 N. 1st Meridian. 80 acres, his ^{section} ~~section~~ are open for homesteading the other 80 acres being water righted. Mr. Mc Dougall states in his letter that there are six quarter sections in this township water righted viz '4723 - '4726 - '4720. '4724 - '4714, '4710 besides this one and that these places are not all registered by the ranchmen.

Mr. Mc Dougall has had a good deal of trouble in getting located. He is an old neighbor, and friend of mine, and if you can see your way clear to give him a homestead entry for all of S.E. 1/4 Sec 2-10-28. N. 4th. I will feel greatly obliged.

Yours very truly,

J. H. Stewart

Mr. Ryley.

With reference to the memorandum of the Deputy Minister hereunder, I beg to say that the South East quarter of Section 2, Township 10, Range 28, West of the 4th Meridian, which Mr. McDougall wishes to make homestead entry for does not appear to have been ^{wholly} or partially reserved for stock watering purposes. As the land is otherwise clear I presume Mr. McDougall may be granted entry unless it is considered advisable to have a report from Homestead Inspector Stuart as instructed by the Commissioner. As the Patent Branch reports the land clear I presume Mr. McDougall must be the first applicant for entry.

Memorandum:-

Mr. Tarriff,

As you will observe, half of the quarter-section which Mr. Stewart applies for on behalf of Mr. McDougall, is reserved for stock watering purposes, and is not therefore open for entry. There would appear ^{to be} six other quarter-sections in this township reserved for watering stock and it is just possible, as contended by Mr. McDougall, that they may not all be required by the ranchman. I wish you would look into the matter and let me know if anything can be done to meet Mr. Stewart's wishes.

Mr. Ryley,

Mr. J. F. McDougall, of Macleod, submits a tender of \$2.10 per acre with homestead conditions for the North ~~+~~ and the South East ~~+~~ of section 22, Township 10, Range 28, West of the 4th meridian, which was included in the list of lands withdrawn from stock watering reserves which were offered for sale at an upset price of \$3 per acre. When a report on this land was asked for from the Patent Branch there was nothing recorded against it. Mr. J.M. Fraser of Pilot Mound, who enclosed the tender, states further that Mr. McDougall is living on this land and has a house, stable and sheds built on the same. Mr. D. A. Stewart M.P., also writes urging that this land be granted under homestead entry to Mr. McDougall. We have no further evidence than the statements of Mr. Fraser in regard to any improvements which may have been made on this land by Mr. McDougall as none such were reported by Mr. Ryley.

I presume that the tender ~~may~~ be accepted but instructions might be sent to Mr. W.W. Stuart to inspect the land and to report as to the settlement and the improvements of Mr. McDougall.

J. M. Fraser makes an

I am directed to inform you that evidence has been filed in the Department that Mr. Thomas Till has been in continuous residence upon the above land since the 1st April, 1904, and has made improvements thereon valued at \$700.00.

In view of these circumstances, I am to ask you whether your Company would be willing to re-vest the land in question in the Crown, accepting in lieu thereof other land of equal value, and, in this connection, I am to advise you that Mr. C.A. Macrath, M.P., under cover of his letter of the 17th May last, filed a letter addressed to him by Mr. J.S. Dennis, Asst. to the Second Vice-President, Canadian Pacific Railway Company, intimating that, in view of the circumstances, the Company would be prepared to re-vest the land in the Crown but that it would be necessary that the request for an exchange should come through this Department.

Dear Miss Darrow,

With reference to your request for information regarding the mines & minerals underlying the S.W. 1/4 14-30-12 W 4th Meridian, I wish to inform you that the surface rights of this parcel were patented to Edward Thomas Coghlan 2nd October, 1915, and the underrights were transferred to the Province of Alberta in 1930.

The S.E. 1/4 10-18-29-W 4th was patented to a Mr. Edward T. Coghlan 2nd April, 1907 and the S. 1/4 12-30-12-W 4th was patented to a Mr. Edward T. Coghlan 13th December, 1912. The underrights of both these parcels were reserved from the grant and as in the first instance, were transferred to the Province in 1930.

Presumably in all three cases the mines and minerals are still owned by the Province and if you desire any further information I would suggest that you communicate with the Deputy Minister, Dept. of Lands and Mines, Edmonton, Alberta.

Yours very truly,

T. L. Cory

Department of the Interior,

Ottawa, February 23rd, 1903,

Sir,

You have been recommended for patent for
S.W. 1/4 of Section 20, Township 44, Range 25 West
of the 4th Meridian which, according to the official
plan of survey contains an area of 111 acres. The
remainder of it being covered by the lake. As the
lake is the subject of a lake survey, the land which
is the subject of the survey is not available for
cultivation, it is not possible for you to
wish to have the patent for you, as the lake covers
a full theoretical area of 160 acres, and the
claim for the land and the lake is not possible.

If you desire the patent issued for this region,
you will file with the Department here a solemn declaration,
a form of which is herewith enclosed, to be made in ac-
cordance with the provisions of "The Oath of Allegiance Act,
1871," that the land covered by the survey of the lake
lake, as shown upon the official township plan, is not
dry, the patent can then be issued for the full theoretical
area of 160 acres, more or less.

MEMORANDUM

Mr. Ollivon.  
Asst. Controller,  
Land Patents Branch.

Re Jacob Ulmer  
N.W. 34-20-8-2.

In 1890 one Jacob Ulmer gave a lien in favour of this Department for \$8.40 on the security of the N.E. 24-10-3-4 (see file 257964). He apparently never had entry to this land, but did hold entry to the N.W. 10-10-2-4, which he abandoned in 1891, and moving East to the Grenfell District, made entry on May 26th, 1891, for the N.W. 6-2-7-2 (note item No. 2 in his Declaration (marked) on file 352662).

On July 7th, 1893, another Jacob Ulmer obtained entry to the N.W. 34-20-8-2 in the Grenfell District.

On September 6th, 1895, the Secretary of this Department advised the Agent of Dominion Lands at Lethbridge as follows:-

"With reference to the lien given in 1890 by Jacob Ulmer for seed grain advanced to the amount of \$8.40 on land described as the N.W. 1 of section 24-1-3-W.4, I am directed to inform you that this man, after abandoning his former homestead in your district, the N.W. 1 of Section 1-1-2-W.1, made entry for the N.W. 1 of Section 34-20-8-W.2, and the Agent at Regina has been instructed to note this lien against it; the security should, therefore, be transmitted to that officer."

Under Certificate No. 2096, issued on November 5th, 1901, the lien for \$8.40 was accordingly wrongfully registered against the title of Jacob Ulmer to the N.W. 34-20-8-2. Certificate No. 2097, issued on the same date, correctly registered a lien for \$5.37 given by Jacob Ulmer in 1891 on the security of the N.W. 34-20-8-2.

On November 11th, 1922, Jacob Ulmer satisfied all moneys due on the bond for \$5.37, but refused - as he has consistently done - to recognize the lien for \$8.40.

I would respectfully suggest that the registration of the lien for \$8.40 be removed from the title to the N.W. 34-20-8-2.

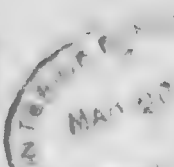

Certificate of discharge covering the bond for \$5.37 is attached hereunder.

On the completion of your action, kindly return files to this office for our further attention.

Sir,

Re D.S. A-20-8-1, 1911.

I beg to inform you that Mr. Jacob Ulmer, of Sourmont, Saskatchewan, has made representation to this Department respecting a lien for \$8.40 alleged to be wrongfully registered against the above described land, and to say the records here show that this lien was given by one Jacob Ulmer in connection with the D.S. A-20-7-W. and H., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the said the D.S. A-20-8-1, and the lien in question for \$8.40, registered against it in error under seed grain certificate No. 2096 of the 14th November, 1911.

A copy of this letter is being sent to Mr. Ulmer for his information.

Kindly advise me of the result of your action in this matter.

Your obedient servant,

M. J. Ellison,

Deputy Registrar of Dominion Lands.

The Honourable Charles Stewart,  
Minister of the Interior,  
OTTAWA, CANADA.

Dear Sir:-

Re:- Manuel Jeske, St 10-10-2-4;

On March 31st 1920, the above named man received two (2) Advances for Relief; one for the sum of \$217.60 and the other for \$39.60. As security for these Advances, he gave Land Liens on the St 10-10-2-4.

It has since been found that the SW quarter of the above named section is owned by one John Koenig and that Jeske had no right to give Liens against same. Koenig has made an Assignment to the Trusts and Guarantee Company, and the above Company are now asking to have the Liens released against the SW quarter of the above named section. Our security in this case will then be the SE 10-10-2-4 and a Chattel Mortgage on eight (8) head of horses.

Under the circumstances, it would appear to be advisable to release the above named quarter section, and I would be glad if you will kindly forward a Notice of Consent for the Removal of the Liens, in so far as they relate to the above named quarter section.

(2)

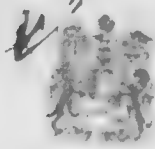

This Consent is necessary under our  
Agreement with your Department regarding Advances  
for Relief.

Yours very truly,

Dear Mr. Hoadley,

I have your letter of the 31st ultimo addressed to the Minister, in which you ask for the consent of the Department to the removal of two liens, one for the sum of \$217.50 and the other for \$39.60 for relief advanced to Mr. Emanuel Jeske insofar as it affects the South West quarter of Section 10, Township 10, Range 2, West of the 4th Meridian.

In view of your statement that Mr. Jeske had no interest in this land at the time he gave the liens against same, we are agreeable to the action recommended being taken. Official consent for the removal of the liens will be sent forward at an early date.

Yours very truly,

MEMORANDUM OF UNDERSTANDING between the Honourable Arthur Meighen, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable Charles Stewart, Premier, on behalf of the Government of the Province of Alberta, entered into this 23rd day of October, 1919.

WHEREAS the Government of the Dominion of Canada and the Government of the Province of Alberta recognize that a serious situation exists in a portion of the Province of Alberta, owing to the recent severe drought and consequent crop failure, and that the settlers in the areas affected are in many cases in need of certain relief by way of provisions and fuel, as well as fodder for animals.

AND WHEREAS the Governments aforesaid have undertaken to provide such relief to the said needy settlers affected on the terms and in the manner hereafter set forth:

THEREFORE, it is agreed by the said Minister of the Interior and by the said Premier of the Province of Alberta as follows:

- (1) That the Government of the Province of Alberta will undertake the distribution of relief to said settlers whether owning their land or holding the same under entry from the Dominion of Canada, and in accordance with their necessities.
- (2) The respective Governments aforesaid will each bear one-half of the amount of such relief and for such purpose the Government of the Dominion of Canada will from time to time and upon the request of the Government of the Province of Alberta pay over to the latter the necessary funds to meet its one-half share of the total amount of relief so provided; it being understood, however, that no part of the expense of the administration in connection with the distribution of such relief is to be paid by the Government of the Dominion of Canada.
- (3) The security of loans taken for relief advances shall be in favor of the Government of the Province of Alberta, except in cases where relief is being extended to settlers upon unpatented lands, in which event the security or loans on such unpatented lands shall be in favor of the Dominion of Canada.
- (4) If relief is provided by a municipality and the Government of the Province discharges a liability for the actual amount of such relief or part thereof incurred by the municipality, the Government of the Province shall pay the Province one-half of the amount paid to discharge such liability and thereafter one-half of any amount collected by the Province in respect of such relief or the security therefor shall be paid to the Government of the Dominion of Canada, and where money is collected either by the Government of the Dominion of Canada or by the Government of the Province of Alberta in respect to other advances made under this agreement, the Government making such collection shall pay one-half of the sum to the other Government.
- (5) No discharge or partial discharge should be given of any security except by mutual consent of the Premier of Alberta and the Minister of the Interior or in accordance with the principles to be hereafter mutually agreed to.
- (6) The nature of relief to be distributed and the amount of money to be expended therefor, as well as the evidence of

debt and form of security to be given by the occupants of patented lands, shall be determined by the Province, provided that no lien upon land taken pursuant to this section shall take precedence over any instrument registered prior thereto. In the case of occupants of unpatented land evidences of debt and security shall be taken in favour of the Dominion in such form as may be determined by the Minister of the Interior.

(7) All securities taken for the above purposes shall carry a rate of interest of seven per centum (7%) per annum.

(8) The Minister of the Interior and the Premier of the Province of Alberta will undertake to have an Order-in-Council passed as soon as possible by their respective Governments to ratify the Agreement herewith, and the Minister of the Interior and the Premier of the Province of Alberta will undertake to have their respective Governments pass, at their next session of Parliament, the necessary legislation approving, ratifying and confirming the Order-in-Council and Agreement made for the purposes aforesaid.

IN WITNESS WHEREOF the parties hereto have hereunto set their hands the day and year first hereinbefore written.

SIGNED in the presence of

As security for the advances liens were registered on title to the S.B.L. 10-10-2-W. 4th Mer.

The Provincial security was registered subsequent to a mortgage held by Margaret W. Rutherford. This mortgage was foreclosed and by Vesting Order the Provincial Liens were eliminated. Clear title to the property issued in the name of the prior mortgagees, in the year 1926. Title to the property still remains clear.

Additional security for the Relief advances was taken in the form of a chattel mortgage covering the debtor's live stock and machinery.

After having lost his land the debtor moved to another part of the same District and endeavored to re-establish himself on a rented farm. He was never successful and the Seed Grain and Relief Branch Authorities report that he is a Bankrupt.

Departmental Collectors traced up the chattel security in the year 1926, but they evidently considered the security as having very little value as there was no seizure made and there is no trace of the chattels or the man on file since that time.

Certain of the liens listed above were also registered on title to the S.B.L. 10-10-2-W. 4th Mer. but no representation made by the registered owner of this land to the effect that he has no interest in the property. An Order-in-Council was passed authorizing the discharge of the Provincial liens from the S.B.L. The liens were also wiped.

There is no further security for this indebtedness and in the circumstances I recommend that it be written off the Departmental records as being uncollectible.

The Liens were also removed.

There is no further security for this indebtedness and the circumstances of the case are such that it is unlikely that the Provincial records are being uncollectible.

Director.

The Tax Consolidation Board, hereby recommends that the liens charged against the S.E. 10-10-2-7. 4th Mer., for advances made to Emanuel Jeske, be discharged.

The Board submits in support of this recommendation:-

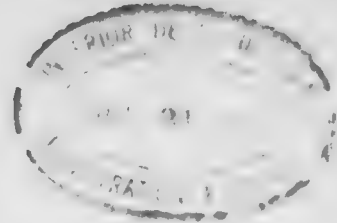

1. That at the time the advances were made the debtor was the owner of said land subject to a first mortgage in favor of Margaret H. Rutherford, which had priority to all liens.
2. That the Mortgages foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.
3. That additional security was taken by way of a chattel mortgage but nothing could be realized therefrom.
4. That the debtor left the country some years ago and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens registered against the said land be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Sir,

Re S.E.  $\frac{1}{4}$  10-10-2-W. 4th M.  
Emanuel Jeske.  
Board Order 4526.

In this case there was outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated the 28th May, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. This recommendation has been ratified by Order in Council P.C. 159/2188, dated 10th September, 1931.

As no action to deregister is therefore necessary this communication may be accepted as conveying the consent of this Department to the cancellation of the liens and the closing out of the account as a loss, which action has already been taken on our records.

Dear Sir:

Re: Walter P. Quilly.

S.R. 10-10-2-4.4th.

Ottawa, 7th June, 1951.

This will acknowledge your letter of the 1st of June, 1951, asking for an up-to-date statement for Federal advances made to Walter P. Quilly on the above described land.

We would advise that we have an account for Federal advances made to Walter P. Quilly on the Federal account with similar amounts as quoted in your letter, and we are enclosing herewith a statement showing the Federal account accrued interest to 31 - 3 - 51.

It will be noted that the 1st of April 1, 1920 amounting to \$186.00, quoted in your letter is not included in the statement. Apparently it is a joint Provincial and Federal 1st on the 19th of January, 1922.

Yours very truly,

Action.

Sirs:

Re the North West 1 of 24-12-1-3. 141.  
YOUR FILE NO. 712621

On behalf of our clients Philip Lalor and Carl Meyer we applied to the staff of Lands at Edmonton on September 17th, 1910 for extent to the balance of their quarter the North West 24-12-1-3. with which had not been included in the original grant. The portion we applied for was that portion of the land, at the time the survey was made, covered by the waters of lake numbered 17, but which at the time of our application the waters had receded with the exception of fifteen acres. Legal Subdivisor "11." We forwarded the declaration of our clients to you under date of November 14th, 1911. In your letter of January 15th, 1912 you acknowledged receipt of the declaration, and requested us to show the dried up area by Legal Subdivisor or parts of Legal Subdivisor on the copy of the township map which was enclosed. After many unsuccessful attempts we have at last succeeded in getting

this matter settled and now return the map corrected in the manner you require. The lake has apparently receded from Legal Subdivision 12, 13, and 14 and only covers fifteen acres of Legal Subdivision 11. It is of course impossible to show you exactly the lake at the present time, but we trust the map and sketch will be satisfactory.

We are very anxious to obtain the title for this land with the least possible delay, and would be glad if you could give this matter your immediate attention, and endeavor to have the patent issued at once.

Gentlemen.

*JSB*  
Replying to your letter of the 21st ultimo, Ref. 3765, in relation to the application of Mr. Carl Meyer to be permitted to purchase that portion of the N.W. 1/4 of Section 24, Township 52, Range 2, West of the Fifth Meridian, shown on the plan of survey as covered by water, I am directed to inform you that the Department is unable to meet Mr. Meyer's wishes in the matter, as, according to the evidence furnished, the said portion has not become entirely dry, and, under the provisions of the Irrigation Act, no disposition may be made of land which is wholly or partially covered by water.

I am to add that, if at a later date, evidence is filed in the form of a statutory declaration setting forth therein that the portion of the said quarter section, shown as covered by water, has become wholly and permanently dry, the necessary action will be taken to have the declaration corroborated by a Homestead Inspector's report and it will then be in accordance with the present practice of the Department to permit the owner of the balance of the quarter section to purchase the parcel applied for at the current rate of \$1.00 an acre.
